TO WHOM IT MAY CONCERN:

There is an international scourge attacking the Jewish People: this is the widespread addiction to viewing inappropriate material and other related behaviors. Fueled mainly by the accessibility and anonymity of the Internet, this scourge threatens to tear apart the fabric of Jewish life and undermine one of its major foundations, that of *tzeniut* and *kedusha* (moral restraint).

This addiction has spared no class of Jews: from teenagers to kollel members, from office workers to Rabbis, and from single to married men. Thousands of lives and marriages have already been ruined because of this relentless temptation.

The Guard Your Eyes organization has undertaken to stem this tide of destruction. By utilizing methods which have proved successful in treating other addictions, and by providing constant encouragement, support and strategies to victims, Guard Your Eyes has successfully helped wean hundreds, if not thousands, from these destructive addictions and has helped return them to normal life. All this has been done on a meager budget and with a great deal of self-sacrifice.

I have seen the materials and handbooks which this program distributes and have only praise for its methodology and approach to the problems of the addicts. Everything which I have seen conforms to the highest standards of Torah values. I highly recommend anyone who suffers from this problem to avail himself of this effective program.

In addition to aiding to overcome these addictions, Guard Your Eyes also performs a vital function in preventing the spread of this scourge by raising public awareness of its dangers and by offering various preventive measures.

Guard Your Eyes is the only weapon we have today at our disposal in dealing with this widespread problem. Their work is critical for the protection of the sanctity of the Jewish People and is worthy of the encouragement and financial support of every Jew.

May HKBH grant the Guard Your Eyes organization the wisdom, the strength and the means to continue and expand its holy work, and may it help return the Jewish People to becoming a nation regarding whom it is written, והתקדשתם והייתם קדושים ("Sanctify yourselves and you shall then be holy").

With deep respect,

Although it is my policy not to give endorsements, I must make an exception in the case of the Guard Your Eyes website.

I doubt that at any time in our history has there been as grave a threat to the morality of our people and to the stability of the Jewish family as the plague of addiction to internet pornography. I vaguely recall reading that before the Ultimate Redemption, Hashem will remove all restraints from the Satan, and I think that the plague of addiction to pornography is the fulfillment of this prediction.

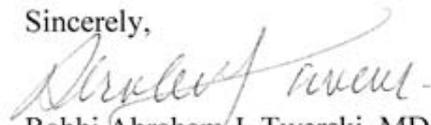

If it were possible to restrict access to the internet, this would be ideal. Unfortunately, this cannot be achieved, and we must deal with reality.

There is no immunity to this problem. It has affected young and old, men and women, and even learned and otherwise Torah-observant people, who have been trapped in the addiction.

I try to contribute to this website, because it is virtually the only effective method available. I am aware of a number of cases who were rescued from this destructive addiction by this website, which provides support and guidance.

The "Guard Your Eyes" website is saving lives and families. Much more can be done to extend this invaluable program, but support is necessary to allow its continuing function and expansion. Supporting this life-saving cause is a great mitzvah.

Sincerely,

Rabbi Abraham J. Twerski, MD

A Letter from the Trustees of the Guard Your Eyes Organization

Dear Friends,

Over the last few months we have become acquainted with the very important and critical work being done by the Guard Your Eyes organization (www.guardyoureyes.org). This organization has been relatively unknown until recently, but with the expansion of its efforts and proven success, it is becoming known throughout the Jewish world today as a critical resource for dealing with the growing problem of pornographic addiction and related behaviors in our communities.

Fueled mainly by the accessibility and anonymity of the Internet, this affliction has spared no class of Jews: from teenagers to kollel members, from office workers to Rabbis, and from single to married men. Many of the social ills afflicting the Jewish community today such as youth-at-risk, broken marriages and even child abuse and molestation can be traced back to this issue. Much of the Jewish community's investment and efforts in education today are being undermined by the strong-pull of these temptations.

The Guard Your Eyes organization has undertaken to stem this tide by utilizing methods which have proved successful in treating other addictions. They have successfully helped wean over a thousand Jews from these destructive behaviors and have helped return them to normal life. Guard Your Eyes also performs a vital function in preventing the spread of this scourge by raising public awareness of its dangers and by offering effective preventive measures to the general Jewish public.

The materials and tools that this program utilizes have been praised by Gedolim and experts alike for their methodology and approach, and they conform to the highest standards of Torah values.

We believe this project is critical to the hatzlacha of the Kedusha of Klal Yisrael and is the only weapon we have at our disposal in dealing with this widespread problem. It is an international project, which can help thousands of Jews across the world and all across the religious spectrum.

We strongly urge you to join us in helping support the wonderful work being done by Guard Your Eyes.

Dear Menahalim and Mechanchim,

At a meeting of the Vaad Roshei Yeshiva of Torah Umesorah, a presentation was delivered by an organization called Guard Your Eyes. We are writing to you based on the Vaad's הסכמה and recommendation.

The Guard Your Eyes (GYE) organization specializes in the treatment and prevention of obstacles facing today's morality. GYE was founded three years ago with the help of Rabbi Dr. Avraham Twersky. They have since assisted approximately 1,000 Jews in breaking free from addictions to inappropriate material on the internet and other related activities. GYE is also offering practical solutions and help to our schools as well.

Torah Umesorah is therefore recommending to you the following GYE resources, to help meet the challenges encountered in our homes and schools:

- 1) **The new GYE support Hotline** - Manned by trained professionals to serve our schools and communities, this hotline is ideal for mechanchim and parents: **646-600-8100**. Please make the number available to those who might make use of it.
- 2) **GYE Prevention Tips for Parents** – Awareness, tips and practical advice on dealing with digital dangers in today's world. You may wish to publicize this pamphlet to your parent body.
- 3) **The GYE Handbook** – An invaluable resource to be used when encountering talmidim who are struggling with areas of קדושה וטהרה. We encourage the schools to make the "GYE Handbook" available to every Menahel and/or Rebbe.

Those receiving this letter via email, please find the attached "Prevention Tips for Parents" and the "GYE Handbook" for easy printing. Those receiving this letter via fax, you may request that these documents be sent to you via email by writing to info@torah-umesorah.org

PLEASE NOTE: The GYE material is not meant for children. It is intended only for mechanchim and parents.

May your efforts bring us to the fulfillment of קדושתם והייתם קדושים.

Our current general society is unfortunately afflicted with many types of addictive behavior. We are all aware that there are many organizations and specialists that treat these types of addictions. Due to the rise of the computer and the internet the ability to view pornography has created an addiction to such viewing. In the Jewish world, which is in no way immune from any of the problems that beset all human society, addiction to pornography is a problem that has had tragic consequences for many individuals and their families. As such the organization, Guard Your Eyes – an organization developed to treat such an addiction amongst the Jewish society – has an important role to fulfill in Jewish home life. Its methods of countering this addiction have proven to be effective and successful and long lasting.

Because of all of the above I encourage all to help support this organization and to allow it to continue and expand its necessary service within our own society. I know personally the persons involved in the work of this organization and I can attest to their skills in this area and their devotion to the cause of the sanctity of Jewish family life. Any help and support extended to this organization will be most appreciated.

With Torah greetings, I remain,
