Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

REAL HEADLINES

Proofreading is a dying art, wouldn't you say?

Man Kills Self Before Shooting Wife and Daughter

This one was found in the SGV Tribune the other day and when the reader called the Editorial Room and asked who wrote this. It took two or three readings before the editor realized that what he was reading was impossible!!! They put in a correction the next day.

I just couldn't help but sending this along. Too funny.

7up, you're just jealous because MEN ARE JUST HAPPIER PEOPLE

NICKNAMES

If Laura, Kate and Sarah go out for lunch, they will call each other Laura, Kate and Sarah.

If Mike, Dave and John go out, they will affectionately refer to each other as Fat Boy, Godzilla and Four-eyes.

EATING OUT

When the bill arrives, Mike, Dave and John will each throw in $20, even though it's only for $32.50. None of them will have anything smaller and none will actually admit they want change back.

When the girls get their bill, out come the pocket calculators.

MONEY

A man will pay $2 for a $1 item he needs.

A woman will pay $1 for a $2 item that she doesn't need but it's on sale.

BATHROOMS

A man has six items in his bathroom: toothbrush and toothpaste, shaving cream, razor, a bar of soap, and a towel.

The average number of items in the typical woman's bathroom is 337. A man would not be able to identify more than 20 of these items.

ARGUMENTS

A woman has the last word in any argument.

Anything a man says after that is the beginning of a new argument.

FUTURE

A woman worries about the future until she gets a husband.

A man never worries about the future until he gets a wife..

SUCCESS

A successful man is one who makes more money than his wife can spend.

A successful woman is one who can find such a man.

MARRIAGE

A woman marries a man expecting he will change, but he doesn't.

A man marries a woman expecting that she won't change, but she does.

DRESSING UP

A woman will dress up to go shopping, water the plants, empty the trash, answer the phone, read a book, and get the mail.

A man will dress up for weddings and funerals.

NATURAL

Men wake up as good-looking as they went to bed.

Women somehow deteriorate during the night.

OFFSPRING

Ah, children. A woman knows all about her children. She knows about dentist appointments and romances, best friends, favorite foods, secret fears and hopes and dreams.

A man is vaguely aware of some short people living in the house.

THOUGHT FOR THE DAY

A married man should forget his mistakes. There's no use in two people remembering the same thing!

Introducing Demotivators®

MOTIVATION. Psychology tells us that motivation- true, lasting motivation- can only come from within. Common sense tells us it can't be manufactured or productized. So how is it that a multi-billion dollar industry thrives through the sale of motivational commodities and services? Because, in our world of instant gratification, people desperately want to believe that there are simple solutions to complex problems. And when desperation has disposable income, market opportunities abound.

AT DESPAIR, INC., we believe motivational products create unrealistic expectations, raising hopes only to dash them. That's why we created our soul-crushingly depressing Demotivators® designs, so you can skip the delusions that motivational products induce and head straight for the disappointments that follow!

Founder and COO

ACCOMPLISHMENTS

You can fool all of the people all of the time if your effects budget is large enough.

ACHIEVEMENT

You can do anything you set your mind to when you have vision, determination, and an endless supply of expendable labor.

ADVERSITY

That which does not kill me postpones the inevitable.

AGONY

Not all pain is gain.

AMBITION

The journey of a thousand miles sometimes ends very, very badly

APATHY

If we don't take care of the customer,maybe they'll stop bugging us.

ARROGANCE

The best leaders inspire by example. When that's not an option, brute intimidation works pretty well, too.

BAILOUTS

From each according to his ability,

to each according to his lack thereof.

BEAUTY

If you're attractive enough on the outside, people will forgive you for being irritating to the core.

BITTERNESS

Never be afraid to share your dreams with the world, because there's nothing the world loves more than the taste of really sweet dreams.

BLAME

The secret to success is knowing who to blame for your failures.

BLOGGING

Never before have so many people with so little to say said so much to so few.

BURNOUT

Attitudes are contagious. Mine might kill you.

CHALLENGES

I expected times like this - but I never thought they'd be so bad, so long, and so frequent.

CHANGE

When the winds of change blow hard enough, the most trivial of things can become deadly projectiles.

CLUELESSNESS

There are no stupid questions, but there are a LOT of inquisitive idiots.

COMPROMISE

Let's agree to respect each others views, no matter how wrong yours may be.

CONFORMITY

When people are free to do as they please, they usually imitate each other.

CONSISTENCY

It's only a virtue if you're not a screwup.

CONSULTING

If you're not a part of the solution, there's good money to be made in prolonging the problem.
