

# WIN THE WAR

*Shmiras Einayim* - guarding one's eyes - takes on a special urgency in today's world, where the visual onslaught is constant and relentless.

This fascinating book, written by Rabbi Avrohom Neuberger, is a practical, easy-to-read, engaging guide to keeping a clear head and clear vision in a world gone awry.

**"Positive Vision," arranged for daily learning, is an arsenal of tools, tips, and strategies for thriving and growing each day, taking control of your life by taking control of yourself.**
