TO WHOM IT MAY CONCERN:

There is an international scourge attacking the Jewish People: this is the widespread addiction to viewing inappropriate material and other related behaviors. Fueled mainly by the accessibility and anonymity of the Internet, this scourge threatens to tear apart the fabric of Jewish life and undermine one of its major foundations, that of *tzenius* and *kedusha* (moral restraint).

This addiction has spared no class of Jews: from teenagers to adults, from office workers to kollel members, and from single to married men. Thousands of lives and marriages have already been ruined because of this relentless temptation.

The Guard Your Eyes organization has undertaken to stem this tide of destruction. By utilizing methods which have proved successful in treating other addictions, and by providing constant encouragement, support and strategies to victims, Guard Your Eyes has successfully helped wean hundreds, if not thousands, from these destructive addictions and has helped return them to normal life. All this has been done on a meager budget and a great deal of self-sacrifice.

I have seen the materials and handbooks which this program distributes and have only praise for its methodology and approach to the problems of the addicts. Everything which I have seen conforms to the highest standards of Torah values. I highly recommend anyone who suffers from this problem to avail himself of this effective program.

In addition to aiding overcome these addictions, Guard Your Eyes also performs a vital function in preventing the spread of this scourge by raising public awareness of its dangers and by offering various preventive measures.

Guard Your Eyes is the only weapon we have today at our disposal in dealing with this widespread problem. Their work is critical for the protection of the sanctity of the Jewish People and is worthy of the encouragement and financial support of every Jew.

May HKBH grant the Guard Your Eyes organization the wisdom, the strength and the means to continue and expand its holy work, and may it help return the Jewish People to becoming a nation regarding whom it is written, והתקדשתם והייתם קדושים ("Sanctify yourselves and you shall then be holy").

With deep respects,
