

# WORLDWIDE YESHIVA SHOVAVIM INITIATIVE

ATTENTION ALL YESHIVA BOCHURIM!

The period of Shovavim (שובבי"ם) is a very opportune time for growth in the area of Kedusha.

The Yetzer Hara is working over-time to enslave us in the digital world of temptation. Just as Hashem took us out of the slavery of Mitzrayim, He is here today to help every Jew who wants to be free!
