

Chevra Tehillim

Posted by Shteeble - 09 Mar 2011 01:33

Chevra,

This is the thread for saying Tehillim. Please have in mind that The RBS"O should help all of us and all of Klal Yisroel to be misgaber over the yetzer. You can say a kappitel Tehillim, or two, or ten, etc. Please, let's go in order. Please post the number(s) of the kappitel(ach) that you will say, so that the next person can pick up from the next one. Tizku L'mitzvois.

Note:

These are for one timers only. Come back to say more any time you like. You are not being mekabel to say these on an ongoing basis. You are only being mekabel b'li neder to say it once.
