Hi. Welcome to the GUE family. ;D	
I've experienced many withdrawal symptoms to two. You can read about it in my thread over at )	•

Re: How Long Did You Experience Withdrawal Posted by bardichev - 29 Jul 2009 15:49	Symptoms?
hi welcome abord	
with much hope for your continued hatzlazcha	
for the first 30-40 days i was jumping out of mys	skin
i went from being totally controlled to totalyy cle	an it is WORK WORK
jump	
post away!!!!	

do not take yourself too serious it is atzas hayetzer	
enjoy life and find rewarding activities to replace the negative behavior	
welcom welcome	
I am alittle subdued its almost tisha bav	
I am seriou 2days a year erev tisha bav until chatzos on tisha bav	
and yom kippur	
thats all I can handle	
bardichev
