What if you were granted ONE request on Purim - and it would be granted

What would you request?

Stop and think about why you want this soo badly... how would it make your life different.

So why not start acting AS IF...

and who knows...maybe if you are worthy, you'll get it!

(did anyone hear the story about the hotel bell hop who won the lottery...he was so concerned his life would be negatively affected by the winnings, he hid the winning ticket, and did not tell his wife for close to 3 months. one night when she breaks down in tears, exclaiming she cannot take all the financial problems any more...he reveals his secret!!

WOW!! over night everything changed for them!

We are not dealing with some lottery,we are dealing with the Creator of the Universe! And we are, each,like His only child! Ask, cry, ask again... )
