Re: ki nafalti, gam kamti (sorry for the repetition, but it is the perfect name)
Posted by pinokio - 04 Apr 2011 06:23

the greatness of a yid.

is that no matter to where he falls.

he has the hidden love, the ahava misuseress.

deep inside of him.

and he will sin.

but he will stop to say krias shma and be miyached.

kudsha brich hu and schintay.

this is not a stirah.

it is a beautiful reality.

you have inspired me.

love,

tz
