

An Ode to Jack the Tzaddik; MAZEL TOV

Mazel Tov! Jack, who for almost 4 decades was a slave to his Yetzer Hara, just completed his 90th day (Gematria of Tzadik!) of Kedusha V'Tahara! The old Jack is no more. The new "Berya Chadasha" Jack is here. And he is here to stay! And he is an inspiration to all of us here on the forum and to all of Klal Yisroel

I cannot believe it!

I went to the Niggun page, and saw the new Niggun that GUE, our leader, put up in honor of Jack's monumental accomplishment, and I pressed play, locked my office door, and started dancing like mad!

I had (and still have) tears streaming down my eyes as I danced and danced and danced. If anyone saw me they would think I was mad, but I don't care! I care only about what Hashem thinks!

And I know in my heart that Hashem and the entire Pamalya Shel ma'alah are dancing like mad today! Today is a Yom Tov!

I came to the forum to share these feelings, and then I saw that GUE did the same thing! He danced and he cried!

I started crying even more! What a great Simcha Shel Mitzva! The Yetzer Hara has lost another huge battle and all of us are feeling it deep in our Neshama!

I am sure many more of our brothers and sisters on this forum are experiencing the same feelings today.

Let's cry and daven like crazy today and ask our father in heaven to bring mashiach already!

We can't wait any longer!

*"Dear Father in heaven, In the Zechus of our holy brother Jack and all the other great Tzadikim who are pummeling their Yetzer Hara in this decadent generation of Znus, BRING MASHIACH TODAY! ANA HASHEN ANEINU!"*

Jack's Simcha song(which I think you should rename "Jack's Moshiach song" continues to play in the background, and tears continue to streamdown my face as I write these words.

I feel such feelings of Simcha now, I can't even begin to describe them.

Yidden, Let's double and triple our efforts in Shmiras Einayim, Limud Hatorah, doing Chesed, and davening and let's storm the gates of Shmayim- especially the Sha'arei Dimah- and let's bring the final Geulah TODAY! Nobody can do this as well as WE can.

Good bye Yetzer Hara! Today is your final day in existence. Baruch Sh'Ptarani!!

This isn't a worl where the Yetze hara is in charge anymore, it is a world where the "Jacks" of the world are calling the shots!

L'Chayim! A shot of "Jack" Daniels is definitely in order! L'Chayim!

Chazak V'Ematz!

Thank You so much for putting that in to words. I think every word that you wrote describes my feelings (and I'm sure the feelings of many more of us) exactly.
