Girls in general Posted by emunah17 - 01 Jul 2011 14:57

Shalom everyone

====

I can't stop watching teenage love stories. I cant stop watching movies in general I'm bored. And after I watched a certain movie I couldn't get the girl out of my head. So much so that I spent half the night trying to find out if she's jewish and then I'I hook up with her somehow. B"H I couldn't find out but i don't think I'II be able to hold myself back from searching again. I've found hints that she is jewish and I cant stop fantasizing. If I find out she's jewish I know I wont stop till I contact her. And I keep on thinking why not? If she is a Jewess (which I think she is) then whats wrong with hooking up with her, helping her become frum and get friendly and when the time comes maybe marry her . I just cant get these crazy possibilities out of my mind.
