

Yiddish or Hebrew Group

Posted by DovInIsrael - 01 Aug 2011 17:15

---

hi -

any of you wonderful people who have grown so much want an opportunity to grow even more - and come closer to reaching your full potential...

I have someone interested in working the steps in either YIDDISH or Hebrew.

he is in the UK - but if needed can call elsewhere.

All those brave and fearless souls out there - lets see a show of hands who is available or interested?

thanks

dov(the american - who neither speks hebrew nor yiddish).in.israel
