I fell 3 days ago and I am very discouraged and now I think about the pictures and the porn and sometimes I have 'wet dreams', it's even more frustrating to me

In the street very difficult for me and I do'nt want to fall

Guys anyone here has an answer to what should really keep the brit? this interested

Every time I get up I fall and discouraging

Hope I will not fall, because every second I feel Stimulation

Guys I admit my English is not so good

I still hope will ce'zuk you and I will also receive cez'ukim Hope you understand me

Thanks you very much

Sababa - look how the IDF does it.

In training if you fall in the swamps you need to get up right away otherwise you are left there to rot.

Now get up and keep on..... (anyone know what I am gonna say...?) trucking!
