In the street very difficult for me and I do'nt want to fall

Guys anyone here has an answer to what should really keep the brit? this interested

Every time I get up I fall and discouraging

Hope I will not fall, because every second I feel Stimulation

Guys I admit my English is not so good

I still hope will ce'zuk you and I will also receive cez'ukim Hope you understand me

Thanks you very much

Sorry to hear that, LfW,

Happened to me once after 180 days and once after 168 days. But ya know something? I don't even think about it. What was, was. Kadima! Forward march! Or as you would say "Keep shteiging". Think about how it came about, make appropriate additional gedarim, and 'gegangen'! No time to waste.

BeHatzlacha! Yes you can (you already proved it before).

keep up the good work

Lookingforwisdom,

mazel tov on the 100 days!

the saying in these parts goes like this:

keep on (monster) trucking!

there is no situation that a little lusting can't make worse
