It is quite evident that you desperately want help. It's also quite evident that this conversation is not doing much for you. Maybe it's because of the language barrier, or because of the lack of connecting through writing. Maybe someone who speaks hebrew can offer their number to

Sababa for him to call??

you have this malach outside of you that is called the yetzer harah it is not you that wants to look at those pictures I know because you keep coming here to tell us that you dont want to do it.HE DOES NOT CARE WHAT YOU WANT HIS JOB IS TO HAVE YOU LOOK AT THOSE PICTURES TO THINK ABOUT WOMAN ALL THE TIME AND THEN WHEN YOU DO IT ALOT THEN YOU WANT TO DO IT MORE AND WATCH EVEN MORE KINDS OF SEX AND THEN YOU WANT TO ACTUALLY DO IT AND THEN YOU START TOUCHING PEOPLE FOR SEXUAL REASONS YOU ARE ALLWAYS THINKING ABOUT SEXUAL THINGS AND THEN YOU START HAVING TO HIDE WHAT YOU ARE DOING FROM YOUR FREINDS AND FAMILY AND YESHIVAH AND THEN YOU START LYING.....I CAN GO ON AND ON my point is he wants to destroy your life and you have to do battle it is real milchamah,so we got to get some intelligence on how he keeps on getting you and then we will start taking away his kochot.So if he keeps on getting you to look at girls on the phone we have to stop the phone you will then be able to think a little.It is alot of fun but you have to very serious about this

war.ARE YOU READY?

Sababa, what are you doing to make sure you don't fall, besides for complaining about all your falls? Do you have a **filter** on **all your computers and phones**? Are you on the 90 day chart? Are you doing (not just reading) the 12 steps? Do you have a partner or sponsor?

Are you trying to be shomer einayim?

hmm i feel your problem sababa

i have had a problem too in the past and technically a filter is pointless to me cause i have the knowhow to get around them all

i have found personally that a moreas the israeli saying goes "little by little" approach works sometimesbut you must personally commit to a set of workable rules and not change themever

i used to have much more severe mas..... problems but now Thank G-d im down to only rare problems with that and looking at things i shouldnt

you need to make a deal like every time you look or etc you will give tzedakah to counter it (and make it a sum that matters) and for every thing you trip up you must give this will ultimately

make it to difficult and costly to continue and the tzedakah may help counter the negative effects

i myself had a fall but what i call a fall now wouldnt even be considered a fall to me 2 years ago see if this gives you any ideas

G-d help us all combat these problems and the problems that trigger them
