

Uri's Songs

Posted by the.guard - 09 Aug 2009 22:55

Hey guys, did you know Uri was a soulful musician?

[Click here](#) to download a song he sent me, that he played and sung on the guitar... Brings tears to the eyes... :(

Here are the lyrics: (Uri, maybe you should consider going around the world and playing GuardYourEyes songs to be Machzir yidden bitshuvah, like Shlomo Carlbach? :D)

My Guard Your Eyes Song - By Uri

Im walking down the city street.

I'm staring at my feet.

I sense pritzus all around,

but my eyes are looking down.

Is that how it should be?

Life in the holy city?

How far are we gone,

from the city that was song.

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you, Tatte? Please don't say goodbye..

When I finally reach the wall,

feeling 2 feet tall.

I touch the holy stones of G-d

and I start to sob.

I cry for my family and my friends,

for my sickness that never ends.

But I realize that I am not alone.

a sigh comes from the stones.

They cry:

Hashem! Hashem! Listen to their tears!

They've been flooding the streets of Jerusalem with them for 2000 years!

Our father, our king! Won't you hear their cries?!

Where are you, Tatte? Please don't say goodbye.

I lay in bed all night,

tossing till first light.

I feel so alone,

though my family are all home.

My need is so strong,

but acting out is so wrong.

Isnt there a way,

for comfort without pay??

Is it worth the cost,

to let lust be my boss?

My heart wants TV,

but my neshama starts to sing!

She cries:

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you,Tatte?Without you,we will die.

Hours by the computer screen,

with all thoughts unclean.

My neshama sits forlorn,

In a world not her own.

Is this who I want to be,

a person who isnt free?

Prisoner to my lust,

break free is what I must!

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you,Tatte?Without you,we will die.

My soul wants you so,I want to sit on your lap.

Tatte please hug me,I want you to wrap.

your arms around me,I'm so tired and cold!

Abba take us home!To the city of gold.

ok this song is really hard to play on the guitar,so i dropped it,but heres the words i "fixed"

)

I used to fall,

Time after time.

I've done my teshuva,

For my terrible crime..

And bad mi-stakes,

I've made a few.

I've had my share of ups and downs,

But I've come through.

We Are The Champions (Gye style

And we mean to go on and on and on and on.

We guard our eyes, my friends.

And we'll keep on fighting 'till the end.

We guard our eyes, we guard our eyes.

No time for pritzus, 'cos we guard our eyes,
in this World.

I've seen bad things,

And followed my lust.

I thought that I would be happy and content;

Boy was that a bust

Life's no bed of roses,

No pleasure cruise.

I con-sider it a challenge before the whole human race,

And I ain't gonna lose.

And we mean to go on and on and on and on.

We guard our eyes, my friends.

And we'll keep on fighting 'till the end.

We gaurd our eyes, we guard our eyes.

No time for pritzus, 'cos we guard our eyes,

in this world

We are the champions, my friends.

And we'll keep on fighting 'till the end.

We are the champions, we are the champions.

No time for pritzus, 'cos we are the champions.

That the Avenger of blood has remembered them,He has not forgotten the cry of the humble.

For the pauper shall not be forgotten eternally,nor the hope of the afflicted forever perish.

Hashem will be a fortress for the oppressed,a fortress in times of distress.

Please ignore my bad voice,chevre.

Listen to the song a few times and try singing it.

The tune is good.

But my voice is off,as i am a shtickle sick.

Hear the words.

They are very powerful.

I Will Survive by Uri

At first I was afraid, I was petrified I kept thinkin' I could never live
without lust by my side. But then I spent so many nights just thinking how you've
done me wrong And I grew strong, I learned how to get along...

And so you're back from outer space, I just walked in to find a pop-up
on the computer interface, I should have had a stronger filter, I
should've given guard the key- If I'd have known for just one second you'd
be back to bother me.

Oh now go, walk out the door, Just turn around now, you're not welcome
anymore. Weren't you the one who tried to break me with desire? Did you think
I'd crumble? Did you think I'd lay down and die?

Oh not I, I will survive, Yeah, I don't need lust to live, I know I'll be
allright. I've got all my life to live, I've got all my love to give, I will
survive, I will survive, Yeah, yeah...

It took all the strength I had just not to fall in this hole, I'm tryin' hard to
mend the pieces of my broken soul. And I spent oh so many nights just
feelin' sorry for myself, I used to cry, But now I hold my head up high.

And you'll see me with 90 days, I'm not that stupid little person still
caught in your maze. And so you thought you'd just drop by didn't expect me to
be free, But now I'm saving all my lovin' for Hashem who's lovin' me,

Oh now go, walk out the door, Just turn around now, you're not welcome
anymore. Weren't you the one who tried to break me with desire? Did you think
I'd crumble? Did you think I'd lay down and die?

Oh not I, I will survive, Yeah, I don't need lust to live, I know I'll be
allright. I've got all my life to live, I've got all my love to give, I will
survive, I will survive, Yeah, yeah...
