

is it addiction or Narcissism?

Posted by bardichev - 19 Aug 2011 20:08

everyone who follow some of my post know i'm very un-psychological

i want to break the trend and ask a question

is it addiction

or an insatiable self love??

go ahead let's start the conversation

[bardichev wrote on 24 Aug 2011 04:54:](#)

Ok I give up

I'm not a psychologist

Az zemmmmy zzayz

Let's beat the yh

With possums elk and cholint

EVen a!!!!!!!!!!

smartest thing on the thread. lets cap it and get back to the chulent. no sickology for me. just sharing and step stuff. keep a green finger out of the pea soup. (i could say something much grosser but i wont)

i just posted my thesis for Narcissism Therapy, now i just need some peer review - that means GYE Genius Members.

in 20 years when i get invited to speak at the UN Convention on Narcissism i will - bli neder - send you a t-shirt

thinking about making a Narcissism-therapy cholint recipe

We can start with black-l-d peas and some l roast, some on-l-ons.....

my vote is it depends on the person for some its an addiction which they would love to get rid of
but for some thats not the case

I don't think those taste so good in cholint (but who knows, maybe they go well with possum?)
;D

i like that monsteh

its a combi of huge eyes & massive tyres

maybe we can call it "i truck"?
