

Chizuk please

Posted by tehilimzugger - 22 Aug 2011 13:31

i was doing pretty good until now but various circumstances led to me spending the meals this past shabbos with a certain girl (i'm a bachur) and then going on a full day trip with her yesterday, now there were other ppl there so it wasn't yichud and i didn't even speak to her (directly) the whole time, but it was kind of uncomfortable going to meron, tzfat, tiberia. with two ppl out of the six going being the only singles and of the opposite sex, so there we were both davening for a shidduch and it was kinda uncomfortable [was that a run-on sentence?]. but i survived. then last night i had a dream where i watched p**n and started mas*****ing i didn't finish though, i woke up and stopped. so i'm still doing pretty good but i could really use some chizuk.

oh, and did i mention that i said tehilim at the mekomos hakedoshim?

I'm afraid that I don't have the right words for chizuk, but hopefully just seeing that someone cares about you will give you the chizuk you need. Be well my friend.

How soon can you get the heck out of your situation? The sooner the better!

You're doing great! don't worry about the dream, it's just the YH using the stress of the day to try to get you down. It's what you do when you're awake that counts.

Keep on Rocking and Trucking!!

I found in the past, that pictures of dressed people we know are sometimes more difficult than undressed pictures of people we don't know. SO you're truly a giboir and an inspiration. I don't know if I could hold myself back in your situation. And you're single! You certainly have a VERY special someone in store for you.

Stay strong!

creep up on her and position a Monstuh' Truck Speaker near her (ear) and then let loose with Kapitel 119. you should only hear from her again in about 2030...

or book a trip to Meron Tzfas Teverya without her

or call the ~~Mishmeres~~ Hatzniyus

This is **NOT** an ideal situation.

Why don't you come over and spend a few days with me...
