

Appeal - AKA Put Your Money Where Your Mouth Is

Posted by gibbor120 - 11 Sep 2011 03:17

I have been on this site for a few months and in that short time it has changed the way I think (for the better) and improved my relationship with my wife. I have made great friends here and great progress. It's no secret that guard is striving for even better resources to help all of us and to advertise so others can benefit as well. This all costs \$\$\$\$. If you are here, you have benefited - period.

I am starting this appeal thread in the hope that we can inspire each other to give. It's the season of teshuva, tefillah, and tzedakah. Let's give our tzedakah dollars here. Maybe we can

For me, a \$36 donation is a big donation. **I start the pledging with a donation I recently made of \$54.**

Tizku L'mitzvos... Let's hope that very soon *kol harisha kula tichleh* all evil will be abolished and there will no longer be a need for this site.

I wish you all a shana tova umesukah and a k'siva v'chasima tova
get bards to give out an autographed bottle of Woodford for donations over \$200

Keep the pledges coming...

Hi, guys. I see this post has been read 94 times, but I don't see too many donations. If you are giving or have recently given, speak up. If you don't want to give an amount, that's fine, but letting us know that you gave, gives others chizuk to give. Don't use *anava* or *tznius* as an excuse. Chime in and let everyone know that you gave.

:-) just did. wow, and in the nick of time!

PS gye is a a true lifesaving service

Thanks 5770. You just inspired me to do s/t I had been thinking about. I made a recurring donation of \$5 a month. Not much, but it adds up! I'm sure I spend at least \$5 on shtuyot every month.

I went around town on chol hamoed and distributed a couple of hundred flyers to different shuls, where I could get afterhours access (didn't feel like wearing a paper bag on my head).

Also, I sent out an email from the Handbook to my Jewish contacts.

Hope it counts as support for Gye.

If I donate... it counts as maaser?

I had the same question and just found the following in an appeal letter on the website. "Funds can definitely come from Maaser monies according to Halacha. Spiritual poverty amongst Yidden is even more important than physical poverty."

I don't know who wrote it but you can read it at the bottom of the second page of [this letter](#).

I plan to donate later today.
