

Women in the workplace

Posted by geshertzarmeod - 19 Sep 2011 09:57

Hey Everyone! I know its been a while. I feel a bit bad that I dropped out but I didnt find posting helpful anymore. Things were going well so it just sort of fizzled. But now I started working in a new place. The first time that Im working with ladies, although they are all tzanua. My YH is working overtime. Need some guidance, tips, how to get my mind off this stupidity.
