I'm about to FALL!!

Allright so as everyone here knows, we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute. Sometimes the emergency units don't have enough time to respond to put out the fire, or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort, even a chashash, post here IMMEDIATELY! And well come to your rescue as soon as possible, iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency. And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

| Wishing everyone the best-Uri  |              |

| Dear #36,  |  |
| They may seem like they are everywhere, but we all go through times like that. Thanks for reminding me. I passed the same pretty lady twice yesterday - first at work and later on my way home from work and had to make a phone call to a recovering perv (while I was davening for her) because the second time I passed her, apparently something inside told me she must be destined for me (and dinner will stay warm an extra half hour anyway while I get another good ). |  |
| Oy vei.  |  |
| Besides, is there lust in your toes? can you think through or write out a short, 5 minute gratitude list for your toes. Maybe Uri can help you write a song about them. There is plenty to sing about regarding our toes, clothes, food, etc., and much gratitude that can help you get out of yourself.   |  |
| Cuz, my friend, the lust triggers aren't really out there, they are in us. We carry them and keep them.  |  |
| Love, and a guteh nacht!   |  |

| Thank you Habib for responding.  |

This has all has come crashing down so suddenly and unexpectedly. My mind is numb and I'm extremely vulnerable right now. Everything in me is telling me to just make a choice, do it, and

not get depressed later! I don't have the strength at the moment to stand up and question the y"h. And by the way, what does that even mean? He's just doing his job.

I asked Hashem for help. I just feel like my mouth is doing one thing while the rest of my body is

question the YH means ask him what are these pictures/videos/thoughts worth? are they worth the many days i invested in this clean streak?

and i'm sure you are way smarter than me, but if your mind is telling you to quit- i don't agree. it's not worth it to get depressed, true, but it's also not worth it to fall.

i'm saying tehillim for you.

can you call someone? not just chat?
