

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

1daat where's our been??

I love how you old timers happen to chance upon guard your eyes when you're drunk

Question is what happens when you're are sober? Wait are you sober or do you need a handbook or somethin' else? A listening ear?

Anyone here?

I need some help. My mom was diagnosed with cancer, and she doesn't have much time left.
she went in for a mammogram and was diagnosed with stage 3.

I really want to act out. please help.

I've been clean for a little over a week and my testicles have been in a lot of pain and if I act out then the pain will go away. Without asking for doctors orders, has anyone ever heard of this

before?

bh I didn't act out and I'm feeling better now, it was a big nisayon for me. It's randomly happened before...

yes it's actually called "blue balls". It will go away eventually. You can try putting some ice there, and Motrin helps too.

1 - Motrin, Advil (ibuprophen) works very well for the pain, which goes away soon;

2- it will keep coming back if the person keeps using porn, or fantasizing himself into an erection again, or dong anything purposefully sexually stimulating to himself...it engorges the tissue and causes that painful sensation;

3- it is part of growing up, so you are not alone.

Hatzlocha whatever you choose to do!

Whew! Now, **that** guy (who jumped overboard) needs some medication even more than the

blueball guy does!

HELP 911

Hello I really really want to want to act out because of what happened yesterday.

yesterday I was suspended from school because of a supposedly false accusation against a counselor. I went to ask him about a class grade or something and somehow he started talking inappropriately to me about gay stuff.. I reported it, and they suspended me. I was also going to expelled, but they dropped the charge and suspended him on a drug charge. I tried praying to Hashem but I still want to act out. Can anyone help?
