I'm about to FALL!!

_____

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

"I'm on fire head to to toe..."

8th day

Today is 8th day

Over here we put out fires with woodford. Try it. It works but only when you share with another drunk guy here

Do you have anyone's phone# handy?

Now, if you're not that drunk, and code red only means you may break your filter, then I suggest you put that bottle down and start your own new thread on the forum

Mark, you're on fire! Every line of this is gold! I will explain:

1. 8th of Teves

2. by sharing and drinking Woodford Reserve with others, you will get out of the danger zone

3. GYE has a help-line to call.

4. by opening up and introducing yourself to others here on your own thread, you will get sustained help.

This website has HUNDREDS of shiurim on this subject.

Rav Ben Zion Shafier has a 12-part one called The Fight.

Start with those...they are awesome and very helpful.

It's called The Fight. Listen to them in order: Introduction and then shiur 1 through 12.

They are awesome.

I've also written over the first few in my 90-day thread...and will put them soon in the Beis Medrash thread.

I listen to one while exercising and the combo is amazing...against the yetzer hara!
