

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

---

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Thank-you for everyones kind words and help! Without you... who knows what might have happened!

But how ironic life is... I did win that day, but found myself facing the same situation at around midnight if I remember correctly. This time I wasn't so quick to get out. I did not however fall the whole way... Still I do not feel proud or happy, I should not have even got myself into this position in the first place! I was saved by HaShem.

Today, after sleeping that is, I did not (yet) slip or fall the same way I did yesterday.

Well, I've fallen 3 times in the past 4 days. You might say I've had a hard week.

Today I'm feeling very stressed out, again (really crazy at work for me, a lot of pressure). I'm feeling the itch to sedate myself for a few minutes of pleasure.

Help!

(PS. Uri, good to have you back! I hope you're feeling better. I need you!)

MoMo!

please hold on ! don't do it any more. i've been clean now for 23 days for the first time in my life and i feel so fantastic ,i want everyone to feel this way too. i know what you mean about pressure at work . i spent a lot of time today asking H' to remove my anxieties so i can do his will. but in the end i got some things done . we have to recognize what we can change and what we can't . i gave all my angers and frustrations and fears and worries to H' today for the first time in my life .it worked then came back and i did it again and i t worked again !please, let H' have the problems ,He can handle it ! Good luck my brother.

Dear L'V,

Thanks for responding.

How does giving up my pressure to meet my deadline to HaShem help me? The deadline is mine to keep!

Thanks Struggle.

I haven't fallen yet.

I still don't understand how to "give up the moment to Hashem".

The "bad" fire is still burning.

I have a long day of work ahead of me.

Help!

FIRE!!!

Hey Momo. I am now sitting at a bus stop, with my computer open (yerushalayim-there's wifi in the streets...), hoping that I can remain alone a bit so I can be here for the next few minutes...

Do you have any idea what might have triggered these burning feelings? Are there other things in your life that are bothering you at this moment? Can you share with us?

And two ppl just joined me at the bus stop... b'hatzlacha!! i have faith in you and ur great, no matter what happens!!

I just read in the sefer chassidim (173) that just like we daven to Hashem with all our strength when we are in the midst of a temporary misfortune or physical suffering, how much more so must we daven to Him when we feel about to fall in sin - which is a suffering and misfortune for all eternity!!

I am sending you the piece by e-mail... lots of good stuff in there about FIRE!!!

Thank you all for your support. I'm still at work, and will be here for the next 2 hours. However, I feel the fire burning lower.

I haven't acted out during the past 3 hours even though I wanted to because of the showing of love and support from my real friends!

Please continue dovening for me, 2B, and everyone else here.

G-d bless!

By the way, Sundays are the hardest day for me. If I call out for help on Sunday, will there be anyone to answer? I **don't** want anyone turning on their computer just for that if they normally don't on Sundays, but does anybody there go online Sunday mornings anyway?

Also, am I "allowed" to call a fire drill as many days I need to, even if it's every day or couple of days in the beginning of my clean count? I don't want to be known as the "boy who cried fire ( or wolf)"?

With love and appreciation,

Momo
