

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Momo. I'm not sure if at this time it would help you. By you posting that your ready to fall that alone is a medriga that not everyone would do it to get help. If you need help on Sunday i can try to help. That day is hard by me too. So maybe we can help each other.

Busted my whitelist filter yesterday evening and consequently watched schmutz. Now I am trying to close the loophole, but with an open internet. I will try another 15 minutes. Then I will go off. Will check in here right before I leave.

Did not have an "SA fall" (nothing was spilled - except involuntarily during the night - which, just to not bring myself down, will for the moment not count).

The HUGE urge subsided a little - I was a click away from falling. I will now continue a little to try and install my filter again.

Naturally it was not my workings - HaShem answered my prayer for help!

Hey, Struggle, I don't know if I can help, but seeing no one is here ,I figured I can spit your

words right back at you

MOMO!!

How are you holding up?

Uri is learning in yeshiva and trust me, he is thinking about you!

Hold on there man!

This moment, right here, right now...

Give it up to HKB"H!

He is the only One who can help us!

I think those last two lines are the most imp. When I have a hard time , I need someone to remind me to call out to hashem. He is always ready to listen to us. PRAY AND PRAY until he helps!

Hold up!

We're all praying for your success! Pls keep going! You have no idea what a raash you are making in shamayim every sec.

keep us updated...

Dear Struggle,

I just saw this. Sorry it took me so long to respond.

but seriously guys we cant have this back and forth on the emergency switchboard
Tell yourself the moment of pleasure is not worth how badly you'll feel about yourself afterward.
But I've been there, and I know how it feels.

We're always here for you, whatever you do.
