

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

You are certainly free to act out your lust today, as you were yesterday, and as you will be tomorrow.

As for me, (whether you believe/understand it or not) it is a complete miracle that I am sober today, so far. I do not really see what there is to fear, though I feel scared sometimes, too. If I do not want to be sober on a given day, I tell Him so and ask Him to help me *because I do not want to be sober that day*. I ask Him to help me **want** to be sober right then, and I **keep** asking Him for that whenever I remember that I want to use lust, R"l.

Hey, He'll be with me (big time, in a guilty way) **after** I act out....so I give up to the truth and :o

It's nice that you have friends to talk to when you are hurting, though, so that's certainly a big plus for you! Hatzlocha!

Dov spoke up, so who needs little me? You may as well skip this post.

I would humbly suggest that you shouldn't even attempt to stay clean today.

A whole day is wayyyyyyyy too much to try!

How about trying to stay clean for the next 20 minutes?

20 minutes is not THAT much to try & delay the problem!

If you can accomplish that short time frame, try extending it a bit.

& then just a little bit more....

& then RECOGNIZE THAT IT IS **HASHEM** WHO IS HELPING YOU WITHSTAND THE
YETZER HORA'S ONSLAUGHT!

Illimali Hakodosh Boruch Hu ozer lo, lo yachul lo!!!

Does GYE have an IM feature? I couldn't find it, it would be nice to have one. I know there was a chat room for a short period but it disappeared, anyone have any info why?

Chol Hamoed is very very hard for me, can't be bothered writing more details but it's hard.

It was mamesh S"D that I saw your post come through. It is normally very quiet on the forum here in EY when the Americans are supposed to be sleeping.
