

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

2 things happening here. You want help so you're calling out, but at the same time you think MAYBE there's the slightest chance that I'll be able to hold out on this one. Is it absolutely necessary for you to be on the computer now? Or are u just bored?

I know it's ridiculous, but it really is just out of boredom... Thats how I usually get into this mess.

Also, this might sound funny, but it actually makes a big difference when I post something, even if I don't get a reply, because it makes me stop for a second and actually think about what I'm doing and how I really don't want to do this aveira. Once I realize that it's not so hard to commit to stay away from these things, at least for right now.

The RMB"M said many years ago that thoughts of lust, porn, sex, and masturbation (sex with *yourself*) only become a preoccupation in the mind of a person who is empty of any real derech-Eretz and Chochma - that is, a person with 'no life'.

So get a life, brother.

Forget about recovery and fighting this YH...just get a life.

Love always,

Dov

Sorry, but what do you mean by that exactly?

Dov rebbereber

Sounds like u are hanging out in bardstown

I live in a safik hut safik shack behind the bend off townline road

There is a handwritten street sign. "Woodford path"

I'm either in the garage under the truck

Or pouring drinks in the kretchmer

Cmin and say hello

Well leave the light on for ya

...maybe I takkeh just need to visit bardstown and get drunk with one of those animals with chairs stuck on their faces....

Just agreeing with you that boredom is a problem we have. Some people aren't even addicts at all but just keep using the schmutz etc just because it makes them feel good, period. They just need to get a life.

I was just commenting on that.

I do not know who you are, where you are holding. I certainly cannot give you advice. But I can share a thought that you may relate to. If you don't please just forget I ever posted it, no matter.

Shalom!
