

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

**Here is the answer to all our troubles in five short chapters!!! Just follow the steps !!**  
**There Is a Hole in My Sidewalk**

## **Autobiography in Five Short Chapters**

*By Portia Nelson*

### **Chapter One**

I walk down the street.

There is a deep hole in the sidewalk.

I fall in.

I am lost...I am helpless.

It isn't my fault.

It takes forever to find a way out.

### **Chapter Two**

I walk down the street.

There is a deep hole in the sidewalk.

I pretend that I don't see it.

I fall in again.

I can't believe I am in this same place.

But, it isn't my fault.

It still takes a long time to get out.

### **Chapter Three**

I walk down the same street.

There is a deep whole in the sidewalk.

I see it is there.

I still fall in...it's a habit...but,

My eyes are open

I know where I am

It is my fault.

I get out immediately,

### **Chapter Four**

I walk down the same street.

There is a deep hole in the sidewalk.

I walk around it.

### **Chapter Five**

I walk down another street.

Hi Long Beach

I don't really know you or your story. I just had one question for you: What are you doing to ensure that you don't fall again? When you fall, you must get up. This is true. But how are you planning to stop yourself from falling? Are you a member of SA? Do you go to meetings? Are you working the 12 step program? Anything else? if the answer to all of the above is "No. I am just fighting harder, and determined to keep fighting forever if necessary!!" then I'm sorry to say it, but it probably won't work. Wanting to stay clean doesn't keep you clean. Doing something about it might. If you are, then kindly disregard this message!!

If you'd like to talk about it, feel free to PM me.

Hatzlocha!!

Reb Yid

dear friends, I am writing this. Because simply put I have given up and just don't know what else to do. Have gone through keeping clean for one and half years for two times and both crashed. Started the big book and 12 step meetings, and just don't get it. I feel this is it , and maybe I am the exception that the program doesn't work for. I simply don't know what is going wrong and what else I could or should do. Please help!

close the door and scream to hashem "help me to see the truth"

its only a scary monster if you are scared from it

if you know that you are stronger then him, then its just an awfull disgusting addiction

I looked and touched briefly for a few seconds not enough to... can someone help me determine if I fell.

If so I will probably fall again and again if not there is a good chance I won't and stay clean for a while, I just want to be honest with myself.

Thank you.
