

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

oops

right again.

that's the chevra tehillim thread.

It started with someone taking kapittel alef, then someone taking beis, etc....

You can take a kappitel.

Post that your taking the next kappitel in the order.

It's only for one time.

Come back for more whenever you're ready.

I am a little confused. You see, I have only just started trying to be religious. I know that letters correspond with #, but I am not sure how that system works. Kappitel means tehillim, right?

Yes.

Kappitel is a chapter of tehillim.

You can do the next one on the list which is ayin gimmel (73).

Just post the number 73 on that thread, so that the next person knows where to pick up from.
