

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

If you save up all that energy, you'll overload the servers, but you got new ones, didn't you?

Hi, not sure if I'm anyone, but please be careful. Firstly stay away from all triggers. Secondly, daven to hashem from the bottom of your heart that He help you out of your 'rough spot'. Thirdly, find something positive to occupy yourself with.

And perhaps a vow (until the end of today?) will help, if you can trust yourself with following through.

121 asks for help from Hashem not to slip. But the best prayers are your own. Speak to Him in your own language, and tell Him what your issues are, and ask Him to help because otherwise you are helpless.
