

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

I thionk this thread needs to be more than just 'sticky' Because its automatically on top, I dont always look at it. Is there any way to have it pop a red flag, or flash if someone needs emergency help?

Don't know whether this is an emergency. But I just looked at the worst things imaginable for around 5-10 minutes... once again. I thank HaShem for not letting me fall all the way. But I can still fall! I cannot get off the computer since I need to do some work.

Alright, HaShem heard me partially I think. I am now better off, took a break, listened to some music and chatting with one of my friends who know about my addiction. But nothing is won yet. Anything can happen and I can still feel a huge urge! Thank-you for your quick reply!
