

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Shmilu

If momos on your case you'd better tell the YH to start running. Momo doesn't give up (ask uri). Tell the YH not to mess..

Shmilu, if I'm hard on you it's because you're worth it!

For me, the best advice is "GOT DC". No, I am not talking about Duvid Chaim. It stands for "Get Off The Damn Computer!" (and go for a walk).

K, guys. Going to take a nap now and we'll hopefully wake up in a better state of mind.

Have me in your prayers.

Thanks to all.

dear friends,

just a suggestion,

how about if we set times, when each person is available to be on guard, so that if someone has an emergency call we can be of help? if each person can donate a time it would be great. prob. during the most common times in each time zone would be great. ie. evening time in each

Here's a man with vision. My kind of guy.

One day, I dream that GYE will have a whole network of hotlines, 24 hours a day, for people to call in and get chizuk and talk it out, anywhere in the world. This is just one of the things we plan to do when we find that "big donor". :D

Guard,

You can count on me bankrolling such an operation once my financial stature reaches a level

and ive had enough in so many ways...

i just slipped a couple of times,

and as i started writing this a friend called with a quick question...,

i forced myslef to answer the phone and he asked if im ok,

yes i lied, did i just wake you up? no...,

ok, not convinced he said, so he quickly asked the question
that would allow it. The only things standing in our way are your prayers...

Fire inside Momo!! Help me quench it!

HELP!!

I just pulled myself back from the edge of the cliff again, for the second time this week.

I think I'll fall if I approach the edge again.

I usually fall on Sundays. However, in honor of R"H, I didn't fall Sunday.

I didn't fall Monday.

I didn't fall Tuesday.

But I've been unable to stop myself from surfing on the internet, not p*rn, but photos of women that stir the coals.

I say to myself, only for today, don't fall. But, as you all know, it's very, very hard.

Not only do I have stress at work.

Not only do I have stress about R"H.

Not only do I work in computers in a boring job with internet one click away.

But, I'm in the middle of the nidda period. One week gone, one week left.

I think the last time I didn't fall during a nidda period was 5 months ago.

I say, this time I'll make it through, for the sake of R"H and the aseret yamei teshuva.

I don't know how many days since I last fell, since I stopped keeping track (it put too much pressure on me), but I estimate 15 days.

I want so badly to last and stay clean at least until Y"K.

Can I do it?

I don't know.

Writing helps, but chizuk will help more.

I have to add, this is so crazy. When I was on the edge of the cliff, literally looking down and about to jump off (figuratively of course), I heard Guard's voice (not his real voice which is a secret, but a G-d like voice, kind of like in the movie the 10 commandments but without the echo, quoting Guard) telling me "Say to yourself that you will not do it no matter what! Your *** won't fall off!" I felt like a lunatic, I was having a conversation back and forth in my mind "Just do it, you'll feel better" "No! I will feel so badly afterward and get depressed. It's almost R"H." and back and forth, until I just said "No" and walked away from the cliff.

Momo! Can you do it?

Of course you can do it!

You want to do it, you said it yourself!

Can you go for a walk?

!

What about reading Uri's thread from the last week or so?

What about calling him to wish him a refuah shelaima?

Reading your thread from the last week or so?

I hear it works wonders
