

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

I guess I should. I am not very observant thus I may not fit into the community.

the community here wears no hat or stripes.

we are united, for we are addicted to lust and we intend on recoverin'!

you are a proud worthy esteemed member of this group!

don't be shy and stop beatin' yourself up!

Seven months!

Wow!

Seems like less than 200 people on GYE can say that!

Thank G-d!

Thank you very much -- I will do everything I can to make to one year and hopefully not fall. The longer the better.

In my professional and personal life I am a loser 100% but that is another issue.

My mam always tells me that a person is what he feels he is....

For me a 7 moth clear person is a kind of hero..

Thank you very much -- I am a loser in every way in life. I am unmarried and unemployed. I have no interest in mathematics in which I have PhD -- thus I am unemployable.

That does not make you a loser. If you had no purpose Hashem would put you somewhere else. You're in this place for a reason. (I'm not saying that makes it easier. I can in no way understand your situation. But that just needs to be recognized by everyone.)

To have a phd in something you don't like isn't stupid...!

It's maybe something else, but NOT stupid!!

I study medicine, and I'm prob. going to fail the semester because of lack of interest....

That doesn't make me stupid! No! Do I need help? For sure!!

I'd love to be in contact with u. Do you use the chatroom?

Thanks alot. I will try to be in contact with some members.

I am not sure if I should be a part of group meetings. I am not sure if I am an addict and I have other very serious issues to work on.
