

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Pidaini: In truth, I don't know how it will be different this time. I am just running on an unhealthy/healthy (take your pick) stream of optimism that I can, and will, with God's help, beat this problem. Though any suggestions would be appreciated.

chesky: Thanks for clarifying that, it is a great help.

Hmmmm.....Suggestions.....I can offer some of my experience,if that helps any.

to make it quick (open your own thread, we can get into length there) opening up was the gate to the pathway of where I am today. The fact that I was able to talk to somebody openly and honestly, brought my situation to reality, and from there I was ready to take more steps.

Have you opened up yet?

What do I say when opening up? Sorry if it is obvious, but I have never been an open person really.

the truth

your struggles

your steps of recovery

what's on your mind

all of the above; none of the above, or some of the above

b'hatzlachah

Do not ask me how I am doing -- many resolutions I took upon myself I did not keep long.

Nevertheless, taking licorice root my thoughts and urges on the subject are much weaker...

Red or black?

I might wanna try it.
