

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

First, pray to HaShem. I did that, and it didn't really help.

I'm feeling a bit better than before.

Guard you are brilliant.

I didnt even think about that.

Momo,is it a coincedence that I got released from work today so early?

Is it coincedence that Yackov Shwartz was on for the first time in a while just in time to see your SOS?

HUG!

Hashem loves you very much,my man!

Now I think I get it.

Guard, I had no idea what you were doing. I thought it was an incomplete post and I was waiting for you to finish writing. Then Uri came and helped explain.

I think you mean that HaShem answered my prayer by sending me Yaakov and Uri. That is deep. I thought HaShem wasn't helping me since I didn't feel better after my short prayer, but He was planning something even bigger for me.

Right. He sent a helicopter to the drowning man instead of a wooden log.

Hashem! Look at your Holy Kinderlach!

If this isn't convincing enough that we are all yours then I don't know what is!

Satan, This message is for you! Your End Is Near! **Just Give Up!** like you Menuval tell us all the time. Why don't you Practice what you preach! & Just Give Up!

Or maybe like Reb Guard said the other day "Hashem is just Enjoying this Avodah of ours, even thou he hides from us"

But then come the Hugs over at Uri's Place (Feeling the Hug's) & only a Blind Man will fail to see Hashem appearing right in our faces.

True intimacy I have found takes work, and is at times a little scary. Rarely as intense as what one might imagine. But its stable wamr amd predictable.

Sorry that I go back to a previous subject, but I believe it is very relevant.

R' Chaim Wosner writes in his sefer Reai Chaim about this problem, although he does not elaborate too much. His point is basically "stop staring at the girl in the bank and you will see how your interest in your wife will come back".

One of the main problems which we face is the build up of hormones which drive us crazy sometimes, and once married you have a legal outlet, but you should keep your attention focused on THIS subject.

The Garden of Peace, which I recommend in any event (I'm almost done reading it for the second time), specifically discusses just how destructive wandering eyes (even short of pornography) is for the marital relationship (intimate and otherwise).

Just wanted to share with you that the day that I stop running away from lust *because it is **very, very dangerous for me*** and go back to trying to avoid it primarily ***because it is ossur***, is the day I'd probably c"v pick it right up again. And that would likely be the end of my reality as my family and I know it.

I am sure my Eternal **Best** Friend wants me to stay alive and sane. He *really, really* likes me, you know. Hope I'm being clear.

Thanks,

-Dov
