

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

I got triggered by some next door neighbor - I didn't even seek out anything. She burned her arm with a pan and her husband wasn't - and she banged desperately on our door screaming in pain. I took care of it as best as I could, with cold water and silverdine and calmed, found her husband and sent them off to miun.

I feel like such a pervert. I got triggered by THAT. and it's unfair. What I was suppose to do? "Sorry, I'm struggling with lust addiction, do you think you could scream and knock next door?"

Woops! Just read this post, I guess the PM I sent you looks pretty dumb, now! Ha.

1- ditto to kedusha. this kind of trigger isn't exclusive to addicts, pervs, etc. Sometimes it just happens because - we are not dead.

2- there may be few things more triggerring to me, a person who knows the power of lust and has used it, than suddenly encountering a person of the opposite gender who is deperately in need of help turning to me with vulnerability, putting her trust in me and me alone. Oh, and we are kind of alone.

If I'm a real sicko, sorry. I guess I'll just pretend **my** arm is the blintz next time....

Dov,your insight, and honest candidness (is that a double of the same thing? Like: Good Yom Tov = good good day) are amazing.

k

I just wanted to add a small note about the im about to fall thread. If you want to reach out. you dont necessarily have to wait until someone responds to the post. at this link: rehab-my-site.com/guardureyes/forum/index.php?action=who;start=0;sort=user you can se who is online and where they are. Say you feel like you want to talk to a certain member who can help you.... you can click and see if there are onlnie and which thread they are on. Or you can pm them and know that they should see your message relatively soon. Just a thought

Great idea OTR.

Lets hope no one needs it, but...

agreed. by the way, when you look at someones profile you can also click to bring up all of their recent posts. so if you like to follow what someone says and get chizuk from it you can see all of their previous posts there. I wonder if there is a tab to click to check if the kids brushed their

teeth and washed negel vasser. Now THAT would be a great thing for a mom to have!

:D

I am feeling weak. I am looking for someone to chat with on gmail. Last night I exposed myself to something I should not have and now it is coming back to haunt me. I am focusing gently and Watch out kids, moms spying. fully on other subjects, but I still could use some chizuk. My email address is in my profile.
