

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Kaneshher, that's truly beautiful...

Lehavdil, it reminds me of a Dilbert joke. This guy comes into the office with his paper finally finished after staying up 48 hours straight writing it... and he says to Dilbert, "*you know, after a*

while when I started getting tired, I received divine inspiration and a bunch of flying monkeys came and started whispering to me the words that I should write... Now, all I have to do is interpret their beautiful words..."

You are a wonderful precious person, and your wife is obviously a fitting gift. And, yes....they are always right. I can't stand it!

hey momo, if you say that about everybody, it means less about them. half the praise that people get from hearing that line, is that everyone else is normal , and they're unique in that they are special. no-one wants to hear that they are just unique in their qualities, since that characteristic is not unique to them. anyone wanna get philosophical, I'm really good at it

Yiddle, Habib, you got it 100%.

I don't see a problem of telling everyone here that they are special, and I think it's especially important for someone who's about to fall to read that.

And, even though it was a copy/paste job (that took me 40 minutes since I did it 59 times!), I

Hey dude there are millions of people out there and momo wants to get the message across that we all on the forum, the very few, are all special. And that is not taking away from anyone. Once again thanks momo.

Two minutes of "pleasure" isn't worth the depression you'll feel afterward! You know I'm right!

Do something else now to distract yourself.

This is how friggin nuts I am. It's 3:26 AM, I'm sitting in my PJ's on my couch learning a couple of blatt gemara with my massive flat screen monitor just a few feet away!!! I'm just stupid. I should walk into another room (lame excuse: but the couch is so comfy and this is where I always learn), I should shut down my computer (LE: we never shut it down here) I should poke my eyes with toothpicks (LE: but I really like my eyes)

OOOOOYYYYYYYYYYYYYYYYYYYY!!!!

PS Momo, 70pt, not bad for a new learner of font size sciences
