

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Pentinent

I am a talmid of the RebbeRebBer=DOV

Although I never spent a day in his yeshivah

There is a language called Dovish

You need to learn Dovish to "chapp"

DOV

I used to fight rebberebdov

Why cause I was so "macho" I was armed to the teeth with

Chazal

Courage

Resolve

Humor

A mouth like a trucker

I was convinced DOV was a crazy robot apikoress

Pentinent

Let's make cheshbon hanefesh together

When we were in the thick of our taava

Didn't we know all these chazals

Didn't we have the courage

Didn't we have all the machoness that a loser (sic) that dov is missing

And and and

We still had no control

If anything we used some chazal(I did) to boost our YH

Hello who is the apikores

Me and my chazal or dov and his 12 steps

Hey I am not a 12 stepper

But we need to learn from dov

As long as "I" fight the YH

"I" is in big trouble

When I surrender

I don't know ginoi(exactly) how dov taitches surrender but bardichev thinks it means when we remove the "zhich" the stoopid monkey in the middle GAAVA

From the equation

I am again not a 12 stepper

But what DOV says is when a man is clearly not a bar sechel we cannot use sichliyos first he must be a man

Yes we can become a man again thru Torah

By realizing that we are so helpless without HKB"H

Coming from a non-12 guy

All Dov is teaching us is what is pshat in the gemara "ilmalai HKB"H ozroi lo yachal loi"

Hashem does not need our help we need his and we need a lot of it

I know I write a lot of jokes on the forum . I do it to cheer myself up and to cheer up people like DOV and everyone else . Simcha is my key weapon and DOV uses it

If u look in the Ohr Hachaim in Ekev he says a lot of what I say here

I have a positive spin that it is never too late to start living

I call it

Keep on trucking!!

Jump on my truck!!

DOV comes here too (sources say)

YOU ARE LIFESAVERS

Listen up: So I live in the basement of this place that I share with a bunch of other guys. I moved in around July and it seems I made some assumptions that I shouldn't have.

The guy on the floor above me has this freaking girl over. He started doing this a few weeks ago and this is the third time it's happened (I think). He thinks I'm some kind of moron and that I don't know about it.

She stays the night. The WHOLE damn night.

Did I mention this guy is Jewish? Wears a kippah, keeps kosher?

WHAT THE HELL!!!

DO YOU KNOW HOW TRIGGERING THIS SITUATION IS?

I can't go to sleep. If I take off my headphones blasting Metallica into my ears, I can hear them. I can hear her. He says something. She giggles. The giggles.

I don't think they're playing chess, guys.

WHAT DO I DO?!

few options.

- 1)call the guy and tell them to shut up
 - 2)knock on the door and shoot the guy
 - 3)leave the place right now!!go to a friends house anything
 - 4)pull a pinchas.
 - 5)choose option 3
- stay strong man. ur an inspiration to me

Well, we're gonna have to have a "little talk" about his behavior at some point.

The deal is he's got seniority cause he's been here a while and he thinks and acts like he can do whatever he wants. I'm afraid of getting thrown out. But I DO need to move, because I really don't think he's going to respect me enough to stop doing that or to go to her place or something.

Now, the reason I won't go up there is because I can be REALLY nasty sometimes. I'm afraid how I'll react and what I might do to him or her. As in I might seriously hurt somebody.

As for leaving.....I gotta see who's up.
