

I'm about to FALL!!

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

should go outside for a few minutes anyway - yes, it's cold, but remind yourself, for the whole 3 minutes that you're outside, that it's totally worth it!

)...maybe you

Then, use that time away to figure out what you'll do when you get back inside to move forward!

Oh, and yeah, me too - feel free to add me to your gmail list!
