

I'm about to FALL!!

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Ok, how about this one:

I'm drunk.

On life.

It's been a long time.

Haven't slept in 36 hours. Been davening at home. Wife thinks I'm nuts. Wife is right.

As usual...

Red bull...

Reggae playing in my ears...

Something is cracking...

I am finishing a bit of a magnum opus on Bava Basra...

and it's a beauty...

this thing called Torah..

apparently, it's real...

God.... you know, when the deep clouds

dissolve into

dust

and you let it rain on you

you and cassius bare your chest to the storm

and you tempt the powers that be

and laugh...

something cracked...

I can't stop perfecting it...

writing...

red bull...

something is cracking... a good thing , I think...

I'm in a place... it feels almost like life... I don't want to go to sleep... I don't want to go anywhere  
L'chaim...

[kanesher wrote on 18 Jan 2010 12:58:](#)

remind me again why I don't want to fall?

1. Great chance of feeling super-depressed afterward.
2. Breaking what you have going.
3. G-d loves you
4. Imagine how good you'll feel if u can control urself
5. We're all rooting for you

**YOU CAN DO IT!!!**

(these are just the reasons I have on the top of my head - I had exactly the same problem last night and so I hopped over to this thread - b'h it helped me - hopefully it can help you!)

Kanesher - you don't want to fall because it's fake, it won't make you happy, and when it's over,

you'll wish you hadn't.

You certainly are...I'm always amazed when people have the strength to post here and stop themsevles from falling. Even just coming here to post is an incredible step, and I can guarantee that Hashem is happy with you for doing that!

How are you holding up?

Truth be told, that when getting rid of an addiction, usually something else takes its place. Like with smoking- people tend to eat more and gain weight. So too with this. I find myself just surfing the site rather than other stuff. Still going strong!!!

Exactly - and it feels so much better, doesn't it?

We can also try to transfer all the extra energy, time, and interest into other things...might take a bit of adjustment, but it might work...
