

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Ok bards will narrow

It down

Be good and clean

Because if we indulge on self gratifying lustful behavior

We will take out our guilt on the people we love the most

(As newton said every action has an equal and opposite re-action)

Rebbereber=DOV

Emes??

i always find myself being angrier and more hateful to those I love most right after a fall!

i'll have to think about the deeper reason why when its not so late ???

The pre-pesach stress, in addition to my genraly mesed-up family matzav = YH FEILD DAY

And quick 'pick-me-ups' will be wholeheartedly welcome.

There may always be time to sin, but I don;t have alot of time to spend on the net. Just another 15 minutes or so..... any chizuk is "we miss you" "KUTGW" "KOT" or even a "K" will help (make it KP)

Hakol holeich achar hasof.....and the best part is that I didn't let the zman end! I got chavrusahs and kept 2 sedarim a day during bein hazemanuim, and I just got a really good chavrusah to add an afternoon seder...

IF anyone knows the barney melody for this ..."Trucking....Trucking....Everyone keeps on truckiing....everyone in his or her own way..... Oh we keep on Trucking....trucking.....everyone keeps on trucking..... everyone in his or her own way....."

Can someone make a soundtrack to those lyrics, and the barney melody... and for the grand fanaly have a truck of woodford pull-ut onto the highway!

Obama: "For *years* I poshut couldn't even *look* at a gefilte fish!"

Chris Matthews (whoever he is, r"l): "Well, what changed it all for you, Mr President?"

Ob"m: "I prefer to go by "prez" - and with a lower case "p", if you can make that sound..."

Chrein Mattyas: "Ahnshuldig, chaver prez. But what about my shayloh?"

O: "Well, as soon as I converted the oval things floating in the bottle started looking tasty!"

Chrein: "Was it the t'vilah, the kaboloh, or the *other part* that did the trick?"

Oy: "And how does the little lady feel about the dietary changes you have undergone?"

Chrayonnaise: "Prez - I mean prez - that was *my* shayloh! You don't *ask* questions, you *answer*them!"

First Resident of (section 8?) Government Housing: "Well, as soon as I converted I started asking tons of questions instead of giving answers at all....and what's wrong with that?"

Matyas: "Never mind, prez. So, is Michelle OK with making blintzes, or not?"

Echad ha'am: "Michelle? Who's that?"

Chris: "I feel like such a goy!"

Whatever! I'm cracking up from pesach cleaning and needed this little creative wacko break....thanks.
