

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Hey Jamie,

Last night you posted that beautiful mashal to me about those grains of sand. Well think about that for yourself and put it into action ! Imagine the reward you'll get for eternity if you overcome this challenge tonight. Like the Mishna in the end of Makkos says, if you overcome this temptation then you'll get an amazing reward not only for you but also for all your future

descendents forever !

think about a good shot of laphroig

how much "holding back" did that

paety malty water have to sit in a smoky barrel

to give you that classic taste

if the would have not "held back"

you would be drinking J&B

BEFORE YOU FALL READ THIS, MY RABBO TOLD IT TO ME:

the yeser hara is like a dog, the more its fed the stronger it becomes, and wants greater food, however when you stop feeding it at first it goes mentalm wanting food so turns fightin harder than ever, however, it soon loses energyand with that it gets weaker, although at pounts it will fight for more food, the longer it is starved the weaker it will get!

IT WILL GET EASIER BUT YOU NEED TO FIGHT

FALLING WILL ONLY MAKE THE NEXT FALL EASIER

I cannot believe that I am posting this. I am clean B"h 143 days and i thought that I would never have THOSE feelings again. But i suppose that I was wrong. How do I snap out of it?

I nearly did. For the first time in the last 142 days I opened a news site!! and then I realised where I was going, so I posted.

I am leaving my office soon, so if I do not reply it does not necessarily mean that...

but thanks for replying so quickly. I already am feeling the pressure less. I hope that it keeps up.

good just try and remember how long the road was till you came this far and about how sad you would be if you had to start the whole thing over think about it a lot you probably won't want to fall after that! imagine 142 days to 0

After your Woodford, my hopes for you are that whenever worry or guilt about your near slip/fall/whateveryoucallit come up, you instead allow yourself to get a little ecstatic about how much Hashem loves you that He gave you the integrity to stop looking in a bad direction all on your own w/o shame from anyone else, and that He gave you wisdom to really know inside what is right/wrong for you, and give Him thanks for these two huge gifts that so, so, so many yidden do not have, even though they fiddle around in recovery circles for a long time. Ashrecha, v'chein yirbu ovadia's kamocho beyisroel!
