

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Perhaps try think of a reward for yourself each Sunday? If you make it through today you will
-----go to the kotel-----play yuor instrument for an hour-----read travel brochures and dream of
Tahiti-----go swimming-----.....

Here if I can help in any way,

Thanks 7UP,

Slipped this morning, but then poured myself into my work (which I am supposed to do anyway
since I am at work).

Keep going Momo. My heart is with you.

Thanks everyone for the replies last week. I left my office almost immediately after I posted and
I have not been able to write till now.

B"H I survived that one, but I know that I am at at a vulnerable stage. First of all it is the
summer, and it does not help things to work in a part of EY that is a human meat shop.
Somehow I need to reinforce myself. It is just funny that I feel back where I was, in the sense
that if not for GYE I definitely would have fallen long ago, and even now I am not sure how long
I am going to be able to hold out. I will Bli Neder keep posting. Thanks for being there.
