

Will you be my freind...

Posted by shemirateinayim - 19 Nov 2011 18:52

I know I haven't been on these board lately, so no-one knows me much, but I've been around around GYE before the forum!!! yes there was life before G-D created the GYR forum... not much of a life, but life it was.

Anyhow, I am looking for members who would be willing to provide me with a (warm and welcoming) support system. The general intention is for offline, or at very least gmail-chat (untill the GYE chat is running). As far as "local time", I'm in Israel [note the bimba keif] , but US buddies could also be helpful for the nighttime hours (those really late an inconvenient ones.

As far as anonimity, I don't mind coming out of the closet (It smells in here anyway).

I'd be happy to respond to you by e-mail if you think that would help. I live in the UK.

Let me know what you think and BW,
