Posted by dudayai - 20 Nov 2011 01:06

I'm looking for someone to sponsor me, help me patiently through each step.

www.guardyoureyes.org/forum/index.php?topic=4769.0 that's my story, if anyone feels they have time and can relate, have been there before and recovered, please, I beg you to help me -- leave me a personal message. I'm in need of guidance with the 12 steps. Thank you
