I was (half) honestly hoping you would come... :(

mybe we should re-schedual to a better night, what would be good for you GUARD?

How about DOV and Kedusha, any chance you guys could make it?

he he he, I've been here long enough to know where everyone **realy** lives, and to know that GUARD charges \$5,000 a head, just to see his face!

But mazel tov anyway! I will be scouring jewish bulletins worldwide looking for the cutie, wearing his fathers Royal Guard spudik! Hey, I just had a baby girl, 3 years difference is a perfect shidduch!

If that's not feasible, he might even just show up for a plain \$5000.

No, he may need \$10,000 to also cover the cost of a new hat.

Does the \$10,000 include the cost of the ladder?

GUARD said he'll try making it, but only if 30 people come, so far we have a grand total of 3!

OH and you can't fly-in from the states, it's \$1,500 that could have been donated to GYE! only locals.

How 'bout 20...

What about if there are only 10 people who could be found to attend this GYE Kumzitz? Would Guard not attend even for the sake of 10 GYE members?
