[Moshe wrote on 13 Dec 2011 15:30:](#)

GUARD said he'll try making it, but only if 30 people come, so far we have a grand total of 3!

I personally don't consider myself worth more than "0". so, if we put the zero after the 3 we already have, can this work?

Hey, good point. It all depends where you put the zero. If you put yourself first - you are worth zero. If you put yourself last - you are worth tenfold.

Thanks, maybe I could add, that if you think you have intrinsic value, you won't put yourself last. You are happy the way you are. It's only once you realize that you are 0, then you will be willing to put yourself last. You realize that your true worth comes from serving others.

I knew of a guy once that was "zero", but he believed he was a big shot, rode a horse and had a very sharp sword in his hand.

HEY! Like on the 90-day chart can we, for chizuk, factor in CUMULATIVE ATTENDANCE?

If you put together all the people who attended all the GYE kumzitzes all together, we've got way more than 30!!!

I wish I could attend, but I'm about 5,879 miles away! I did attend 2 GYE get togethers that were closer to home, and I'm very grateful to have had the opportunity. So, those who can be there, don't miss out!

I just heard Rabbi Avigdor Miller quote Koheles, hakol hevel havalim, everything in life is a bunch of Zeros,

000,000,000...

but if you put **Hashem Echod first** then you have..

1,000,000,000...

Were all Millionaires, or is that billionaires....?!

The morning after the night before.

Never ask a blind beggar to lead you to a place that you have never been to before, if an old friend hadn't come out we would still be wandering the streets of Torah Town.

It was great to meet you, Shmiras and Tehillim Zegger. Guard was there in spirit and Ovadia was thousands of miles away, so he couldn't come.

It was a big chizuk to meet fellow strugglers and users of the Forum and the Tools.

Thank you Shmiras the host and everyone who came.

Shkoyach to Shmiras etc for hosting the Kumzits, and to Blind Beggar and TehillimZegger for attending.

It was nice to have another GYE get-together. I got a lot of chizzuk from it.

Have a Good Shabbos,

Elyah
