---

Kul tov to everybody. Most yidden don't care what they see and they actually run to see improper images. Because your trying so hard to control your urges you stand out among men. Hashems definition of a tsaddik has changed becuae our generation has sunk so low. These days your righteous if you catch yourself looking at back away.

Hashem doesnt ask for impossible tasks from his creatures. every Jew, no matter how low he may be, has the ability to become like avrohom yitzckok and yaakov

quote the midrash

=====
