Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

IDF soldiers went on high alert this morning in the Beit Lechem area.

Unidentified thundering was heard accompanied by the ground shaking and lightening flashing.

THE

SKIES

WERE

PERFECTLY

CLEAR.

7Up went to Kever Rochel today for the first time in about 15 years (boy has it changed from the  
)

I davened for everyone I could think of on GYE, and asked Hashem to add in the rest, including those who should be here but arent.

Mama Rochel was sitting at His feet throughout and her sobbing was later identified as the source of the area commotion.

There are few places where one can just open the taps and let go, the Kosel and Kever Rochel  
are the tops for that!

It feels good to know that somebody was there for us. I think this should be common practice,  
whoever travels to EY should pray on behalf of all of us.

That's funny. My wife and kids went to Kever Rachel too this morning, for the first time in like 15 years!! You missed them by one day. Oh Well...

If I may go back to my point of shaking off the aveires while dancing, I thought into it and came to realize that, for example, by a wedding the whole affair could have been a hard time for our fighters guarding their eyes from all the made up woman. That same event, if utilized properly, is an opportunity to SHAKE OFF those same misfortunes from before.

I believe that this proves for all times of nisyones that they are actually a time of climbing, as I wrote in one of my first postings.

REB B!

ONLY ON SIMCHAS BEIS HASHOAVE!

I would say they did it for practical reasons, due to the size of the public and the drop of guard by some.
