Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

The Day The Heaves Shook!

You may ask was it an earth quake?

Perhaps another Punch by the GYE members to the Y"H?

Well there was no earthquake & yes GYE shakes the heavens on a daily bases but nope, this one was a Mega Shake.

So what was it you ask so curiously.

Well well well,

this is the story I have to Tell.

There's this Girl, Letkain is her Name,

Yes! It is only her, for all this noise you can Blame.

She became a GYE member, not that long ago,

Yet in this short time she put up an impressive Show.

An inspiration for all GYE members down Below,

And dealt the Y"H a huge Blow.

So in Shomaim they decided to start the year at GYE with a Simche Indeed,

And Letakain with Her Gevaldiger Shiduch did Succeed.

When she spilled her secret She put in life on the Line,

But she knew that by listening to Daas Torah she will be just Fine.

I hope her Choson relieves what a real jewel he did Get,

She will be a real Eishes Chail on that we can Bet.

So that's what shook shomaiyn up Above,
But down below too, for her there was so much Love.

A L'Chaim was set up GYE Style,
The simche was so big you could hear it from a Mile.

Bardichev the Rebbe & a great simche organizer too,
RATM at the Bar Tender & a DJ who Knew.

Habib baked some Cakes,
RATM made some Shakes,
7up with her Fruit & Vegi Chosson Kallah models & Makes
While Uri Brought along all his Flakes. (And some JW)

Struggle shopped for all the Stuff,
Then the Music blasted, & we couldn't get Enough.

The Oilom came puring in with the Mazel Tovs piled High,
The simche reached, right up to the Sky.

Suddenly everyone became quite Sha Shtill,
Reb Guard had a few words from his heart he did Spill.

Trying showed up to clean up the Mess,
And got Sushi & Ice Cream all over her Dress.

So now that you know what the rocus was all About,
All is left is for us to pray & Shout.

Hashem give this Girl & her future Husband a life of Inner Peace & Love,
And may this Simche bring many more to Klal Yisroel from the one Above .

May we all be Zoiche to the biggest Simche of All,
Because when Moshiach comes we will never again Fall.

Efshar
